

Off The Vine

A small sized, full-service,
wine & accessories shop.

Allow us to help you with your wine

Our wine shop has been serving our friends and family here in Grapevine's historic Main Street district since last century, or the mid '90's at least!

We are proud of our reputation as a friendly team, with both the time and interest to explain the different varietals, regional styles, and each of our 300 selections that we stock

Each wine on the rack has our own tasting notes attached. Hand written, in plain English, and we are more than happy when asked to compare one with another or to offer suggestions!

Off The Vine's Cellar Club

Every winery, wine shop & even a couple of newspapers offer wine buyers an opportunity to join their club. Most are designed to move a large volume of wines each month, sight & taste unseen, with limited interaction with the purchasing team.

Off The Vine's Wine Club has been a great resource over 20 years for guests who have

Holly Donnelly
Off The Vine's
Proprietor & Wine Lover

trusted us and want new wine selections each month that suit their style & palate.

For 2018, we have built on this trust and are proud to offer our newly enhanced

Cellar Club which include Monthly Wine selections, Tasting events, Specials, Buyer rewards & retail

discount throughout the year!

Members choose the level of wine they would like to enjoy, and spend the year tasting all selections, learning about wine & saving as they go!
